Presidents Corner

Chapter Members,

Thank you to all members who attended our first chapter meeting of the year. I hope all of you found it interesting and perhaps a break from the usual to have the Shelby County Mayor Mark Luttrell discuss the topics of Education, Public Health and Public Safety. Good Stuff!!

GOLF Tournament Results:

The 25th Annual ASHRAE Golf Tournament was held October 5th at the Chickasaw Country Club. We had a great event this year that raised a lot of money for the chapter and we thank all the participants!

1st Place: Andy Jordan, David Upchurch, Blake Upchurch, Joe Harris – Score of 61

2nd Place: Ben Allen, Danny McKee, Daniel Longsierre, Grant Rauchle – Score of 62

3rd Place: Jeff McAlexander, Wendall McAlexander, Ray Thornburg, Chris McDermott – Score of 63

Congratulations to the winners and thanks to all the sponsors!!

We look forward to seeing everyone for the monthly meeting on Tuesday October 13th at the U of M Holiday Inn.

Sincerely,
Tom Bird

Presenter: Andrew T. Holden

Andrew T. Holden, P.E. is a Sales Executive with NovaTorque, Inc. which is a California based company that produces ferrite based permanent magnet motors. Andy is an industrial engineer from Georgia Tech and has spent almost 10 years in the HVAC industry as a manufacturer's representative and currently focused on representing NovaTorque's motors to engineers, architects, owners, OEMs, contractors, reps, and end users. In addition to his time spent in the HVAC industry he has spent over 5 years in the electric power generation sector as a consultant a commercial manager with international responsibilities.

Andy will provide attendees with a broad introduction to PM motor technology with comparisons against premium induction motors. He will discuss the motors performance, advantages and disadvantages, discuss the motors impact on energy savings, and present both lab and real world examples illustrating the efficiency difference between PM and induction motors.

Calling all Members

Sun and fun make Florida a global destination! The 2016 ASHRAE Winter Conference and AHR Expo serve as similar attractions, drawing industry professionals from around the world to advance personally and professionally. The Conference will have a fresh feel with new tracks focused on design-build practices and residential systems as well as programs that align well with current trends in HVAC&R engineering. Energy efficiency and sustainability are emphasized along with current engineering and construction practices outside of the U.S. and Canada. Come experience Florida's attractions and ASHRAE's advances in technology. [Click here for more info](#)
