*Sponsorship slides will be run before and after the speaker at every chapter meeting (virtual or in-person)

*RP chair will confirm final slide layout before presentation

President's Corner:

Happy March ASHRAE Memphis Members!

Looking Back

Our February meeting was highlighted by our top-notch speaker, Nathan Kegel with IES. He proficiently discussed the benefits of utilizing the Heat Balance Method of performing Load Calculations. Nathan is Truly a subject matter expert in this area of study. I have no doubt that anyone who made time to attend learned something.

March Chapter Meeting – March 11th

We're excited to revisit Crosstown Concourse for our March Chapter Meeting where will learn about self-sensing pumps from Brett Zerba with Taco.

Free parking will be available in the garage.

We look forward to seeing you there!

Student Activities – Pyramid Tour

Jennings Thigpen will be hosting our student members on a tour of the Pyramid later this month, please reach out to him if you would like to volunteer & stay tuned for specifics.

Looking Ahead

Golf tournament – Charlie Reifenberger has taken the reigns of the tournament; I'm excited to see the changes he implements to make the tournament more enjoyable. Stay tuned for more details

For those who enjoy a great drink, there is no better time of year to have a Sazerac.

Ingredients:

Rye – 2.5oz,
Rich Simple Syrup – 1 barspoon
Absinthe – enough to rinse your glass
Peychaud's Bitters – 4 dashes

Steps:

Rinse lowball glass with Absinthe, add simple syrup, bitters, rye, and ice to your glass, give it a stir & add lemon peel for garnish

Laissez les bon temps rouler,

Max Graham

President, ASHRAE Memphis 24-25

Chapter Meeting Topic:

HVAC Hydronic Self-Sensing Pump Technology

Speaker Bio:

Brett Zerba

Application and Commercial Trainor with Taco, Inc. Have been with the company 30 years. BS in Mechanical Engineering from the University of New Hampshire. MBA from Johnson and Wales University. Member of ASHRAE and RPA Association.
